Notes to Editors

Zytronic is a developer and manufacturer of a unique range of internationally award winning optically transparent interactive touch sensor overlay products for use with electronic displays in industrial, self-service and public access equipment.

Zytronic's products employ a sensing solution that is readily configurable and is embedded in a laminate core which offers significant durability, environmental stability and optical enhancement benefits to system designers' specific requirements.

Further information for investors can be found on the Company's corporate website, www.zytronicplc.com, and additional information on the Company's technology and products is available at www.zytronic.co.uk.
